OCRRA operates these Compost Sites on a non-profit basis. This seasonal Compost Membership is for residential use only and the terms below relate to the owner of a single residential unit. In order to avoid additional expensive insurance costs, we require users to accept certain legal responsibilities below:

SITE USE AND TERMS FOR DROP OFF AND COMPOST / MULCH PICK UP

I have requested to enter an OCRRA Compost Site ("Site") to **drop off yard waste/food waste** (unlimited volume) and/or to **take up to two bags of compost** (as available) on the following terms:

- I represent that the yard waste I am dropping off contains no hazardous contaminants. If it does, I will be responsible if my yard waste causes any contamination to the Site or to compost/mulch at the OCRRA Site.
- I agree to use any compost/mulch I receive from OCRRA only on property owned by me.
- I agree to accept full and sole responsibility for any and all injuries to myself, my family or guests, or damages to my vehicle or my property incurred while on the Site or caused by me during the drop off of my yard waste or the picking up or loading of compost/mulch by OCRRA personnel. I will not hold OCRRA or the County of Onondaga responsible for any injuries or property damage resultant while I am on the Site, including from the loading of compost/mulch by OCRRA personnel, or from my use of the compost/mulch. I agree not to bring any legal action against OCRRA related to the quality, condition, or use of the compost/mulch or any impact on my real property, plants, or garden. If any such action is brought I will accept full responsibility for it and hold OCRRA harmless. I also agree to defend and hold OCRRA harmless from any injuries or damages caused by the use of my vehicle on Site or by my activities while on Site.
- I agree to accept this compost/mulch "as is" and understand that OCRRA makes absolutely no warranties or representations related to its quality, use or fitness for any purpose whatsoever or other warranties of any kind. I recognize that compost/mulch contains spores, fungus and other substances that may cause allergic or other reactions and I will assume all risks to myself or others from exposure to such substances and will hold OCRRA and Onondaga County harmless for any personal injury resulting therefrom.

I have carefully read all of the above terms and conditions before dropping off any yard waste and/or accepting any compost/mulch and agree to be bound by them.
