

**Onondaga County Resource Recovery Agency
Ragger Tail Scrap Metal Sale
(Beginning May 1, 2017)**

GENERAL INFORMATION

The Onondaga County Resource Recovery Agency (OCRRA) is seeking sealed written bids from qualified firms or individuals in conjunction with facilitating the purchase, weighing and removal of scrap metal from shredded ragger tail from its Transfer Station at Ley Creek.

Bidders are to submit their bids by 2:00 pm sharp on Monday, April 10, 2017.

The materials to be sold are generated at OCRRA's Transfer Station. No guarantee is made as to the actual amounts of recyclable ragger tail scrap metal, which will be made available to the Purchaser, and the Purchaser agrees to purchase any and all actual amounts of metal available. The Agency will however, provide information about anticipated amounts to assist the proposed bidder in planning; but does not guarantee any such future generation amounts. Bids are expected to be awarded by Monday, April 17, 2017.

This Bid is separate from and excludes other scrap metals separated at OCRRA's Transfer Stations.

SPECIFICATIONS

The term of the contract may be three or six calendar months, at the discretion of the Agency, commencing May 1, 2017. The price per gross ton (2,240 lbs) paid to the Agency will be for each calendar month based on the "Scrap Price Bulletin Buffalo No. 2 Bundles" at the second published rate in each of the consecutive months and as modified by the proposal. The proposer has the option of picking up ragger tail scrap metal on the last day of each month, *any pick-ups of ragger tail scrap metal bridging both months will be paid to the Agency at the higher rate of the two months in question.* The Agency prefers vendors to provide on-site containers, however, will not exclude bids based solely on a vendor requirement to live load. Should a vendor require live loading, OCRRA may accept an on-site container bid from another vendor at a lower bid price at the Agency's sole discretion. One proposal for each pickup method may be submitted.

The Purchaser shall provide services in full compliance with all applicable federal, state and local laws, rules, regulations and orders of all governmental agencies.

- 1) The Purchaser shall provide references and experience in the business of recycling scrap metal.
- 2) All ragger tail scrap metal accepted under this contract shall be recycled in some manner and shall not be landfilled.
- 3) The Purchaser is required to ensure that all recyclable ragger tail scrap metal is properly secured to prevent spillage during transportation from the Transfer Stations and Compost Site and that the materials collected are being processed at a legitimate facility licensed and permitted to accept and process the material.

- 4) The Purchaser will be required to provide all labor, tools, materials, and equipment necessary for the removal and transportation of recyclable ragger tail scrap metal from the site.
- 5) The removal of ragger tail scrap metal shall take place at regular intervals or within one business day of notification by Transfer Station Personnel. The Purchaser will work within the same hours as the Transfer Station when conducting removal or other work required for this bid.
- 6) At the end of every month, regardless of when pick-up commences, the Purchaser shall send to the attention of OCRRA, 100 Elwood Davis Road, N. Syracuse, NY 13212 the following:
 - a) Certification of the weight of ragger tail scrap metal collected
 - b) Computation of the price to be paid to OCRRA showing the per ton price paid
- 7) All payments for ragger tail scrap metal collected each month must be submitted to OCRRA no later than 30 days after the last day of the month collected.
- 8) All vehicles will be weighed in and out on OCRRA's scales. All scale transactions are video recorded.
- 9) On-Site container size at Ley Creek is 20 to 40 cubic yards – not less than TWO (2) containers at that Transfer Station to be available at that site at all times.
- 10) Purchaser's transport vehicles will be properly insured with \$1 million single limit Commercial General Liability and \$50,000 property damages. Purchaser will hold the Agency harmless for any of its activities while on the OCRRA sites.
- 11) Purchaser must submit completed Conflict of Interest and Non-Collusion forms (attached) with bid.

DURATION OF CONTRACT

It is the intent of the Agency to enter into a contract period commencing May 1, 2017 for either three (3) months or six (6) months.

TERMINATION

The Agency or the Purchaser may, with just cause, terminate this contract at any time. Termination by either party shall be by USPS certified letter. Termination with just cause by OCRRA or the Purchaser shall be effective thirty (30) days after mailing of said letter.
