Responses to all questions received from the Request For Quotes for prepaid fluorescent bulb collection boxes. Only one material question was submitted.

Q1: Do you have the bid tabs/results from last year's RFP?

A1: OCRRA's most recent fluorescent bulb collection box RFQ closed on December 29, 2016 and had a winning bid of \$59.50 per box with a capacity of 145 four foot T8 bulbs; and \$56.00 per box for eight foot boxes that had a capacity of 38 T8 bulbs.
