

OCRRA seeks bids for construction modifications to the Rock Cut Road Transfer Station. The work consists of demolition of existing building and utilities; construction of buildings and additions; modifications to existing buildings; installation of inbound and outbound scales with scale houses; driving surfaces including pavement restoration; stormwater management features; yard piping; water service utilities; and other miscellaneous site-specific features; HVAC modifications and equipment, plumbing and fire suppression modifications and equipment, and electrical/instrumentation work in accordance with the Bidding Documents prepared by GHD Consulting Services Inc.

Electronic copies of Bidding and Contract Documents may be requested by contacting Christine Latham at 315-453-2866 x1225 or via email clatham@ocrra.org.

Direct all technical questions to Christine Latham via facsimile (315-453-2872) or by email at clatham@ocrra.org. The subject heading for all e-mails and faxes shall be:

OCRRA Rock Cut Road Transfer Station Modifications
Contract No. ____

Questions will be received until 2:30 p.m. on February 15, 2019. No response will be given to questions received after that date. OCRRA will provide a full written response to all potential bidders by February 20, 2019.

A non-mandatory pre-bid conference will be held at 10am on February 12, 2018 at the Rock Cut Road Transfer Station (5808 Rock Cut Road Jamesville NY 13078).

Bid deadline is February 28, 2019 at 2pm. M/WBE applicants encouraged. Sealed Bids for construction of modifications of the Rock Cut Road Transfer Station Facility will be received by OCRRA in the Agency's office at 100 Elwood Davis Road, North Syracuse, NY 13212-4312 until 2:00 p.m. local time on February 28, 2019 and at that place and time will be publicly opened and read aloud. No Bids will be accepted by email or fax.

Separate sealed Bids will be received for the following:

- Contract No.1 - General Transfer Station Modifications
- Contract No.2 - Electrical Transfer Station Modifications
- Contract No. 3 - HVAC Transfer Station Modifications
- Contract No. 4 - Plumbing and Fire Suppression Transfer Station Modifications

Please reference Bidding and Contract Documents for complete information.
