Mercury Therm Drop-Off Form

Thermometers that contain mercury have a silver, metallic grey or black filling in their tubes. If

Please complete the form in advance. Place it on your vehicle's dash on the day of the event.

	the filling is red, blue, purple, green or any other color, it is not a mercury thermometer and is not eligible for drop off at this event. Unlike mercury thermometers, these can be thrown in the trash.																											
	Number of thermostats dropped off: Thermostats that contain mercury have levers or dials that you must physically move to change the temperature. If you remove the faceplate of your thermostat and see one or more glass vials containing a silver substance, it is a mercury thermostat. Do not remove or break the vials. If your thermostat is digital / programmable, it is not eligible for drop off; it can go in the trash.
