Section 1 Request for Bids

1.1 THE AGENCY

The Onondaga County Resource Recovery Agency (the “Agency” or “OCRRA”) is a New York public benefit corporation created by Public Authorities Law, Title 13B, for the public purpose of assisting in the planning, development, construction, operation and maintenance of solid waste facilities. OCRRA is empowered to receive, transport, process, dispose of, sell, store, convey, recycle and deal with, in any lawful way, solid waste. OCRRA is also empowered to contract with municipalities, public corporations, or persons for solid waste services.

1.2 THE OCRRA SERVICE TERRITORY

OCRRA’s service territory, Onondaga County, is located in the center of New York State and encompasses 810 square miles of land. Approximately 460,000 people reside in OCRRA’s 33 member municipalities. The largest single municipality is the City of Syracuse with a population of approximately 145,000.

1.3 OCRRA FACILITIES

The Ley Creek Transfer Station is located north of the City of Syracuse, off of Seventh North Street, in the Town of Salina. The address is 5158 Ley Creek Dr., Liverpool, NY 13088. The Ley Creek Transfer Station caters to large haulers and contractor/small business users with C&D and mixed MSW/C&D loads. Waste is separated by mechanical and manual operations into two waste streams: “burnable material” that can be processed at the Onondaga County Waste-to-Energy Facility, and “bypass material” that must be diverted to a landfill (currently, and for the term of this contract, the Seneca Meadows Landfill). Prior to transport, all materials are crushed and compacted by a landfill compactor in the building.

The Rock Cut Road Transfer Station located at 5808 Rock Cut Road, Jamesville and was built as a shredding plant in 1972 and converted to a transfer station in 1983. It is a two-level building with a 4,900 square foot dumping floor at the upper level. The repair/maintenance area is accessible through three 18-feet high by 28-feet wide overhead doors. Mechanical work on Agency vehicles is performed at this site. Although large quantities of waste are no longer delivered to this site as a result of the WTE plant being on-line, it can be operated at up to 800 TPD without any major operational problems, for contingency purposes.

The Onondaga County Resource Recovery Agency (OCRRA) operates two yard waste compost sites. The Jamesville compost site, located at 4370 Route 91 in Jamesville, services the east, south, and central portion of Onondaga County, while the Amboy compost site, located at 6296 Airport Road in Camillus, services the north and western portions of Onondaga County. Each of these sites are authorized by the NYSDEC to accept both food and yard wastes for processing into compost or mulch.

1.4 RFB PURPOSE AND SPECIFICATIONS

OCRRA anticipates the need for 6 to as many as 10 rectangular roll off boxes for use at its transfer operations. The roll off boxes are to be 40 yard rectangular boxes that meet the specifications in Form A attached to this bid.
1.5 **VENDOR CONTACTS**

OCRRA conducts its procurements to maximize competition and provide all vendors with an opportunity to compete fairly. For any procurements over $15,000.00, all contacts and correspondence with the Agency after the Request for Bids go out, must be exclusively through a designated OCRRA Procurement Contact Person, and no one else. 1.8 **QUANTITIES**

OCRRA intends to purchase 6-10 roll off containers as specified in this bid document.

1.9 **CONDITION**

The containers shall be new, meeting all Federal and State laws and regulations.

1.10 **SPECIFICATIONS**

The equipment specifications are set forth in Attachment A and form an integral part of this bid document and the bidder’s response. All equipment parts shall be of sufficient strength, quality of material and workmanship to what is generally provided in the industry. It shall be bidder’s obligation to respond to the bid specifications and to indicate whether or not the equipment it bids meets, or does not meet, each listed bid specification. For each deviation from the specifications, bidder may provide documentation, if any, of equivalence. Bidder should include any manufacturer’s literature or specification sheets evidencing compliance with the specifications.

1.11 **WARRANTY OF GOODS**

Unless specified otherwise herein, Bidder will be required in the purchase contract to warrant that all the equipment furnished under the Contract will be free from defects in workmanship and conform to the requirements of the Contract as set forth in the Bid Specifications and to all warranties, representations and literature furnished with Seller's bid hereunder. Seller will also be required to warrant the goods against all defects for at least twelve (12) months from the date of acceptance except where warranties of Seller's vendors or subcontractors are longer, in which case the longer warranty will apply, and Seller will be required to agree to repair or replace all defective items, parts or components under the warranty at no cost to OCRRA. Under the contract, if the Seller fails or refuses to correct the defect, OCRRA would be allowed to correct or repair the equipment and charge to the Seller the cost incurred to OCRRA or obtain an equitable adjustment in the Contract price.

1.12 **MANUFACTURER’S WARRANTIES**

Any manufacturer’s warranties that Seller receives applicable to the equipment or their parts, would survive the executed Contract and will run to OCRRA and will not be deemed exclusive but in addition to any warranty provided by Seller under the contract.

1.13 **BID SECURITY**

OCRRA will not require a Bid Bond and a Performance Bond in the amount of 5% of the bid amount. Where a bid bond is required, the bid bond must be submitted with the bid or the bid will be immediately rejected. Bid and Performance bonds must be executed by a surety company licensed to do business in the State of New York. Under no circumstances will OCRRA accept a cash payment or certified check in lieu of a Bid or Performance Bond with a competitive contract bid. If a bid bond is required, a Performance Bond in the contract amount will be required. For construction contracts over $100,000.00, the Agency will generally require either a 10% retainage or daily liquidated damages or both. This retainage will be released upon successful completion of the contract.
1.14 **EQUIVALENTS**

Where, in the Bid documents, one certain kind, type, brand, technology or product manufacturer is named, it shall be regarded as the required standard of quality. It is not meant to exclude competition in any way. Similar equipment, products, or service, which are equal in quality, performance, and compatibility and equally adaptable for the intended purposes, as determined by the Agency and are submitted as specified in the bid documents, will be considered and may be accepted. The decision of the Agency as to equal will be final.

1.15 **CONFLICT OF INTEREST STATEMENT/NON-COLLUSION AFFIDAVIT AND STATE FINANCE LAW FORM**

Each Bidder/Proposer must furnish with their Bid/Proposal a properly signed Conflict of Interest Statement, Non-Collusion Affidavit and State Finance Law form. The Conflict of Interest Statement, Non-Collusion Affidavit and State Finance Law form are to be completed and submitted on the attached forms that OCRRA has provided either with the Bid or within ten (10) days of notice of the award of the Contract by OCRRA. By submitting a bid, Bidder warrants that there is no conflict of interest in Bidder’s other contracts or other employment, if any, with submission of the Bid hereunder and that Bidder shall advise OCRRA if any conflict or potential conflict of interest exists or arises in the future.

1.16 **COMPLIANCE WITH LAWS, REGULATIONS AND STANDARDS**

The equipment which vendor is submitting a bid shall comply with all Federal and State laws and regulations, including applicable emissions standards as well as all applicable safety standards, including those set by OSHA, PESH, the National Highway Safety Administration, the U.S. Environmental Protection Agency and the N.Y.S. Department of Environmental Conservation.

1.17 **DELIVERY**

The equipment purchased as a result of this Bid solicitation shall be delivered to OCRRA to a specified site contained within the bid and pricing for each container should include the cost of such delivery. All responsibility, liability and cost associated with the delivery of the equipment shall be borne by the vendor.

1.18 **INSPECTION/APPROVAL**

The equipment to be delivered/installed hereunder will be subject to OCRRA’s inspection and approval within a reasonable time after delivery/installation. OCRRA will have the right to reject defective or non-conforming equipment and at Bidder’s (i.e. Seller’s) risk and expense return the defective equipment to be promptly replaced with complying equipment. Such a return of defective equipment will not extend the required delivery date under 1.15 above. For any such defective, non-conforming or rejected equipment, OCRRA shall also have the alternative option of returning the equipment at Bidder’s (Seller’s) expense and cancelling all or the remainder of the order. As a third option, OCRRA may accept the defective or non-conforming equipment at an agreed upon price reduction from the Bidder (Seller) which will result in an appropriate reduction in the contract sum before final payment.
1.20 **LIQUIDATED DAMAGES**

OCRRA and the successful bidder agree that time is of the essence in the delivery of the equipment which is the subject of this bid and that OCRRA will suffer financial loss if the equipment is not delivered on time. Accordingly, OCRRA and the vendor will agree to a provision in the contract setting liquidated damages at fifty dollars ($50.00) per day for each day after the required delivery date that vendor does not deliver the equipment to be purchased hereunder free of equipment defects and deviations.

1.21 **LOCAL SERVICE LOCATIONS**

Bidders shall specify proper service and maintenance operations that can complete repairs and regular operating maintenance for the equipment on site at OCRRA facilities. The Bidder should also designate a facility, within two hours of Syracuse, NY, that can perform factory-authorized warranty work, as well as other necessary repairs that otherwise cannot be completed on site.

1.22 **TAX EXEMPT STATUS**

OCRRA is exempt from federal, state and local taxes.

1.23 **INSURANCE RESPONSIBILITY**

The successful bidder will be responsible for the equipment and shall properly insure the equipment during transit and until OCRRA accepts the equipment in writing.

1.24 **CONSIDERATION AND PAYMENT**

The Contract will set forth the agreed upon price for the equipment to be paid by OCRRA. Payment will be made net thirty (30) days after the later of (1) delivery and, where applicable, installation of the equipment and written acceptance thereof by OCRRA; or (2) receipt by OCRRA of invoice from the seller. OCRRA’s tender of payment by check is sufficient. No charges for shipping, handling, packaging or insurance will be allowed unless stated in the contract.

1.25 **FAILURE TO PROMPTLY EXECUTE CONTRACT**

If the successful Bidder fails or refuses to sign and deliver the Contract, including the attached proposed contract conditions and the necessary insurance, conflict of interest, non-collusion and State Finance Law forms within fifteen (15) calendar days of contract award, OCRRA may cancel the award to that Bidder and award to the next lowest responsible and responsive bidder meeting the bid specifications and the original low bidder shall have no recourse against the Agency. In such event, OCRRA shall be entitled to the amount of the Bid bond. The successful Bidder must pay OCRRA the difference between their successful Bid amount and the next highest bid.

1.26 **DISQUALIFICATION OR TERMINATION FOR FAILURE TO COMPLY WITH STATE FINANCE LAW**

If the equipment to be provided hereunder by Bidder to OCRRA exceeds $15,000.00, in total, OCRRA reserves the right to disqualify the Bidder or terminate any contract with Bidder, at any time during its term, by written notification to successful Bidder, in accordance with the notification provisions above, in the event it is found that the certification filed by the Bidder
during the procurement process was intentionally false or intentionally incomplete or in the event that Bidder engages in an impermissible contact under State Finance Law Sections 139-j and 139-k.

1.27 **BID INSTRUCTIONS**

All blank spaces in the Bid Forms applicable to the Contract for which a Bid is being submitted must be appropriately filled in with ink and with both words and figures, and the Bid must be properly executed. **Bids must be submitted by mail, delivery service or personal delivery and received by OCRRA by the date and time specified in the Bid Solicitation. Late Bids will not be considered.**

**Bids may not be submitted via fax or email.**

If the Bid is made by a corporation, the official corporate name shall be given, and the Bid shall be signed by an authorized officer of the corporation, and the corporate seal affixed. If the Bid is made by a partnership, the official name as it appears on the Assumed Name Certificate shall be given and the Bid shall be signed by a partner. If the Bid is made by a sole proprietorship, the Bid shall be signed by the individual owner.

1.28 **MISTAKES/DISCREPANCIES IN BIDS**

In the event there is a discrepancy in any Bid between unit prices and the extended totals, the unit prices shall govern. In the event there is a discrepancy between the unit or lump sum prices written in figures and those written in words, the unit or lump sum prices written in words shall govern. Bids which do not contain a price for every item contained in the applicable Bid Form (when required) shall be subject to rejection.

Unless otherwise required by law, the sole remedy for a mistake in a Bid shall be the withdrawal of such Bid and the return of the Bid security, if any, to such Bidder. OCRRA may, in its sole discretion, award the Contract to the next lowest Bidder or re-bid the Contract. Any amendment to or reformation of a Bid or a Contract to rectify such an error, mistake, or omission therein is strictly prohibited.
