

## **Public Information Officer**

Award-winning recycling and sustainable solid waste agency seeks energetic, versatile professional to join our team. Design and implement a public information program to support the agency's activities and goals. Build relationships and share information with local, county and state officials. Develop and manage a strategic marketing plan, through the Agency's website, online platforms and working with advertising agencies. Ideal candidate is a self-starter who is adaptable to changing circumstances and who supports OCRRA's mission and program outreach efforts.

Minimum qualifications for candidates: bachelor's degree and 2 years of professional level work experience in public relations, marketing or communications or, 6 years work experience in the aforementioned areas, 2 years of which must be at the professional level.

The position is a **provisional** civil service appointment. Salary DOE.

Individuals meeting the minimum qualifications may submit an application, resume and letter of interest to Maureen Nosik, OCRRA, 100 Elwood Davis, North Syracuse, NY 13212 or e-mail your response to [mnosik@ocrra.org](mailto:mnosik@ocrra.org). Applications can be obtained on the Employment page at [OCRRA.org](http://OCRRA.org) and will be accepted until 11/30/2021.

OCRRA is an equal opportunity employer.
