ONONDAGA COUNTY RESOURCE RECOVERY AGENCY LEGAL DISCLAIMER – DIRECTORY OF HAULERS

The following disclaimer applies to OCRRA's listing of hauling service providers, which is being done solely as a service to OCRRA's customers:

- OCRRA is neither recommending nor endorsing any of the listed hauling service providers (the "**Provider(s)**").
- OCRRA is solely an advertiser of the Provider's services and the inclusion of the Provider on the listing is solely an advertisement, and not an endorsement, of the Provider's services.
- OCRRA has not vetted or evaluated the Providers; OCRRA is merely providing this information to residents who may find it helpful in connecting with companies and individuals who have expressed a willingness to transport the organic materials for residents for a cost to be determined between the Provider and the resident. OCRRA is not responsible for the accessibility or availability of any Provider.
- The cost for the transportation of organic materials to a resident's home is to be solely coordinated between the Provider and resident; OCRRA will play no role in that financial transaction.
- OCRRA does not accept any liability in connection with the transportation or delivery of these materials, and has not placed any insurance or reference requirements on the Providers as a condition of being included on the list.
- The resident should make whatever investigation or inquiries that the resident deems necessary or appropriate before engaging any Provider.
- OCRRA is not responsible or liable for any advertising, products, goods or services available or unavailable from, or through, any Provider. A resident's dealings with any Provider, and any other terms, conditions, representations or warranties associated with such dealings, is between the resident and the Provider and do not involve OCRRA. OCRRA is not responsible for a resident's interactions and dealings with Provider. The Provider is solely responsible for the provision of services to the residents and for any and all injuries, illnesses, damages, claims, liabilities, losses, and costs, it may cause the resident to suffer, directly or indirectly, in full or in part.
