Mercury collection event, packing, transport,
and disposal services

Questions Due: Wednesday, July 17 at 5:00 PM

Quotes Due: Monday, July 29 at 1:00 PM

This is a request for MERCURY containing items. There is an accompanying RFQ for management of vape products due on the same date.

OCRRA holds an annual Mercury Collection Event in Onondaga County to collect mercury containing thermostats, thermometers, other mercury containing items, and elemental mercury.

This year the event will be on **September 14, 2024, from 8 AM to 11 AM**. OCRRA needs mercury packaging, transport, and disposal services, and an appropriately trained technician to oversee material packaging and provide clean up in the event of a spill. The technician is required to be on site from 8 A.M. to 12 P.M. The vendor will need to remove all materials by noon on the date of the event. The vendor is responsible for meeting all laws, rules, and regulations.

OCRRA is also requesting that interested vendors indicate if they are willing to host the event at their local facility, and, if so, at what cost, if any. If the event will be hosted at the vendor's location, OCRRA also requests access to set up on the site on Friday, September 13, 2024, if needed.

If the interested vendor must host this event at one of OCRRA's facilities, the vendor must provide all support, equipment, materials, and labor for the event consistent with all regulatory requirements. Support will be necessary to obtain registration for this collection event consistent with 6 NYCRR Part 360.15 and 362-4 including but not limited to a Site Plan; Collection Event Plan; Spill Prevention and Control Plan; Emergency Response Plan; and Security Plan.

Please note: Mercury thermostats collected through this event will be managed through the Thermostat Recycling Corporation program, and therefore are not to be included as part of this request for a quote.

Questions related to this request for quotes should be submitted to Jenna Lawrence, jlawrence@ocrra.org by 5:00 PM on Wednesday, July 17, 2024. Questions will be answered by OCRRA by Friday, July 19, 2024.

Vendor must provide a description of the Company's current insurance coverage and provide a certificate of insurance for the following limits. If limits are not met, describe available limits in the RFQ response. OCRRA must be named as an additional insured on these policies on a primary and non-contributory basis.

Comprehensive General Liability:

Bodily Injury \$1,000,000 per occurrence

Property Damage \$500,000 per occurrence

Pollution Coverage \$1,000,000 per occurrence
