

CURBSIDE RECYCLING

- ❌ **Do not bag recyclables.**
Place loose items in the bin.
- ❌ **When in doubt, check it out.***
Can't do that? Throw it out.
- ❌ **No needles/syringes, film plastics, food waste, diapers, or toxic items.***
- ❌ **No textiles/clothes, footwear, etc. Donate if wearable.***
- ❌ **No items smaller than a business card.**
- ✅ **Plastics:** Ignore the numbers; use shape to decide recyclability: bottle, jar, jug or dairy tub = recycle.
- ✅ **Paper Boxes:** Empty and flatten. Remove packing or film plastics in or around boxes. No boxes that lived in the fridge or freezer.
- ✅ **Containers:** Must be empty and rinsed. Labels are okay.
- ✅ **Lids and caps:** Reattach.

*Go to OCRRRA.org and type in your item to find recycling or disposal options.

WHAT HAPPENS TO TRASH IN ONONDAGA COUNTY?

Trash is turned into electricity at the Waste-to-Energy Facility instead of going to a landfill. This reduces greenhouse gases.

WHAT ABOUT YARD WASTE?

Yard waste **cannot** go into your trash or recycle bin. You can bring yard and food waste to an OCRRRA compost site with an annual drop-off pass.

CAN'T FIND WHAT YOU'RE LOOKING FOR? SEARCH OUR DATABASE!

Go to OCRRRA.org and type in your item to find recycling or disposal options.
