

MOTOR EQUIPMENT OPERATOR II ~ CDL-A Driver
All shifts available

Onondaga County Resource Recovery Agency, **OCRRA**, has an immediate opening for a CDL-A driver. If you are ready to become part of a hard-working, customer service team, **we may be the right choice for you!**

This is a full time, Civil Service position eligible for NYS pension & generous company supported health benefits. You will be home nights and should be available to work daytime hours Monday through Friday or Tuesday - Saturday.

The work involves being outdoors, driving between our transfer and compost stations as well as traveling to some of our local business partner locations. You may be assigned non-driving tasks as needed.

OCRRA is looking for a CDL-A driver, without license restrictions, ready to earn \$26.34 per hour to start, \$27.73 after 90 days. The CDL A license with ability to drive a manual truck and some tractor trailer driving or heavy equipment operating experience is required.

Be part of a team working to improve the environment.

Job Type: Full-time; overtime may be available.

Salary: From \$26.34 per hour, \$27.73/hr after 90 days.

Applications can be obtained on the Employment page at OCRRA.org or at our main office, 100 Elwood Davis Road, No. Syracuse, NY

Send application, resume and letter of interest to Michca Ballard-Fortin, Personnel Administrator, Onondaga County Resource Recovery Agency, 100 Elwood Davis Rd, North Syracuse, NY 13212 or email your response to hr@ocrra.org.

OCRRA is an equal opportunity employer.

Job description sample:

MOTOR EQUIPMENT OPERATOR II

Onondaga County Civil Service Job # 62120

(Non-Competitive)

DISTINGUISHING FEATURES OF THE CLASS

The work involves responsibility for performing skilled work in the operation of moderately complex motor equipment. An employee in this classification operates heavy motor equipment with complex controls requiring a relatively high degree of skill and manipulative ability. Work of this classification is different from that of the lower classification of Motor Equipment Operator I in that the employees operate more complex and specialized equipment and are required to exercise considerably more skill and care in the operation of their equipment to perform assigned tasks. Employees are responsible for the routine maintenance of equipment and may be required to perform related manual labor. On specific assignments, work is closely supervised by a crew leader or similar supervisor; however, on routine assignments, general supervision is received. Does related work as required.

TYPICAL WORK ACTIVITIES

- Operates heavy construction equipment such as rollers, graders, front end loaders, tractor trailers, small (d-3) bulldozers, hydraulic extractors, sweepers, catch basin cleaners and shoulder machines.
- May operate pay loaders and backhoes.
- Loads fill and other construction materials.
- May operate large flatbed trucks used for transporting heavy equipment.
- May operate a small caterpillar with special blade used for digging and clearing drainage ditches on marshlands for the prevention of mosquito larvae.
- May operate tractor-trailers in the transport of solid waste and sludge.
- Occasionally operates simple flatbed or dump truck and related motor equipment as work load demands.
- Checks working condition of equipment; gives routine service and maintenance.
- May instruct and train personnel in the use and handling of specified pieces of motor equipment as directed by supervisor.

When Assigned to Onondaga County Department of Transportation:

- Operates such heavy, construction and highway equipment as graders, front-end loaders, tractor trailers, bulldozers, hydraulic extractors, catch basin cleaners, and shoulder machines.
- Operates snow removal equipment to clear county roads of snow.
- May perform job duties associated with the Motor Equipment Operator I classification.
- May perform job duties associated with the installation and maintenance of traffic signs and road markings.

When Assigned to the City of Syracuse Department of Public Works:

- **In addition to all work activities listed above**, also operates snow removal equipment to clear city streets of snow.

When Assigned to the Onondaga County Resource Recovery Agency:

- **In addition to the typical work activities listed above**, may operate tractor-trailer or dump truck to transport solid waste, ash residue, recycling or by-pass materials to various locations including landfill sites, Waste-to-Energy plant, or other facilities as directed by supervisor.
- When not driving or operating equipment, may perform light-to-heavy physical labor at the OCRRA work site as directed by a supervisor.

FULL PERFORMANCE KNOWLEDGES, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS

- Good knowledge of the operating and repair characteristics of heavy equipment.
- Good knowledge of the component parts, operating principles and maintenance needs of heavy equipment.
- Good knowledge of the occupational hazards and necessary safety precautions in the operation of heavy equipment.
- Good knowledge of traffic laws and other regulations governing the operation of heavy equipment.
- Skill in the operation of moderately complex construction and transportation equipment.
- Ability to service various types of relatively heavy equipment and to make running repairs.
- Ability to understand and carry out oral and written instruction.
- Physical strength and agility sufficient to operate heavy equipment over rough terrain occasionally under adverse weather conditions.

MINIMUM QUALIFICATIONS

Two (2) years of work experience, or its part time equivalent, in the operation of motor equipment used in construction, repair and maintenance of highways and other public works or the operation of a tractor trailer.

When Assigned to the Onondaga County Department of Transportation:

- A. Two (2) years of work experience, or its part time equivalent, in the operation of motor equipment used in construction, repair and maintenance of highways and other public works or the operation of a tractor trailer, or;
- B. One (1) year of work experience, or its part time equivalent in the operation of motor equipment used in construction, repair and maintenance of highways and other public works or the operation of a tractor trailer and possession of One Person Plow Certification from a New York State Transportation Department or a County Transportation Department in New York State.

When Assigned to the City of Syracuse Department of Public Works:

Two (2) years of work experience, or its part-time equivalent, in the operation of motor equipment used in construction, repair or maintenance of roadways and other public works, or the operation of a tractor trailer.

SPECIAL NECESSARY REQUIREMENTS

- a. Possession of a Class A or Class B Commercial driver's license (CDL) with appropriate endorsements as required by the New York State Department of Motor Vehicles for the class of vehicle being operated. Eligibility for and continued possession of the license is required for employment.
- b. Possession of Excavator Certification is required to perform excavation duties in accordance with New York State General Business Law. Certification must be obtained during the probationary period. Training will commence upon appointment. Eligibility for and continued possession of the license is required for employment.

When Assigned to the Onondaga County Resource Recovery Agency:

Possession of a Class A Commercial driver's license (CDL) with appropriate endorsements as required by the New York State Department of Motor Vehicles for the class of vehicle being operated. Eligibility for and continued possession of the license is required for employment.
